

Music Knowledge Organiser (Year 5)

Beneath Our Feet

Key Vocabulary			
Duration	The length of a note or sound		
pulse 🧡	The steady beat felt throughout the music – you might tap your toe in time with the music.		
rhythm	This follows the pattern of the words. You can clap the rhythm of the words.		
Timbre	The unique sound of an instrument		
Xylophone	Tuned percussion instrument traditionally made of wood		
Polyphonic	When music has lots of different melody lines being played at the same time		
Graphic Score	A way of writing music using pictures or symbols for different sounds.		
Melody	A tune for a song or the main tune in a piece of music that isn't a song.		
Musical Quotation	Small snippet of music, like a motif.		
Lyrics	The words that are written to go with a melody		
Compose	To write a piece of music yourself.		
Rehearse & perform	To practise and then perform a piece of music.		

Key Knowledge

- Soundscapes are like a tapestry of sounds that come together in a given place, all kinds of sounds can be used like engine noises, human noises and noises from the environment like wind, sea, and rain.
- Many different creatures live underground, like worms, moles, rabbits and centipedes.
- People sometimes work underground. They might dig for minerals like coal or tin; they might drive an underground train.
- Fossils are the remains of creatures that lived millions of years ago. You can find them in our local area.
- Graphic Scores make it easier for everybody to be able to read and play music because it uses pictures instead of music notes.
- Composers write music to tell stories and make you think about certain places or countries.

What you have already learnt in Year 4.

- Listen with attention to detail and recall sounds with increasing aural memory
- Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- Improvise and compose music for a range of purposes using the interrelated dimensions of music
- Play and perform in solo and ensemble contexts, using voices and playing musical instruments with increasing accuracy, fluency, control and expression

What you will have learnt by the end of this unit.

I am learning to :-

- Listen to music more intently and to focus on a given instrument or sound.
- To write to a specific brief
- Be able play more complicated rhythms.
- COmtinue to develop my skills to play as a soloist or as part of an ensemble.
- Evaluate my work using musical terminology

Let's Listen!

Camille Saint-Saens - A French composer who created a piece of music about fossils, part of a suite of music called Carnival of the Animals. He began to learn to play the piano when he was 2 $\frac{1}{2}$ years old!

Recall and Remember - Now we are at the end of our topic - Beneath Our Feet how much do you

know now? Prove it!	or 💌
Can I compose melodies from a given start point?	
Can I combine different notes to create an effective piece?	
Can I use musical words to describe the music?	
Can I suggest improvements to my own and others work?	
Can I recognise the work of Saint-Saen?	
Can I improve my work using musical vocabulary?	
Can I perform my part confidently?	
Can I identify a which section of an orchestra is playing the melody(tune)?
